Kenmuir Arms gets 5 Stars Status

Huge congratulations to Chris and his team at the Kenmuir Arms who recently received AA 5 star status for Restaurant with bedrooms, along with a rosette award for culinary excellence and an outstanding breakfast award.

The Trust have reached the point where they have now completed the first action plan that was created 6 years ago.

We now need to consult with the community to see what new projects / initiatives that you would like to see within your community.

The Community Benefit Funds we receive are to allow us to create projects and initiatives that support the community and make it thrive— It is therefore important that we are able to get everyone’s ideas and collate these into a new action plan.

We are being ambitious and intending to create a 10 year plan—therefore new ideas for large projects are also welcomed, as this then allows us to plan and timetable these in to our plans going forward.

The start of this consultation will take place on

**Wednesday 1st November -Memorial Hall
3pm—7pm**

THINK BIG!

How to get involved

How to get involved

New Luce Community Trust is made up of a group of local volunteers who are Trustees of the organisation and work very hard to deliver on the action plan that was created by the local community—this work is supported by the development officer.

A lot of work goes on behind the scenes by these very committed people to ensure that the projects and initiatives that were agreed on by the community are delivered.

However this is a very small group of people—and new faces and ideas are always welcomed

How can you help?

Are you a member of the Trust? - Join the Trust to be able to have a say in the running of the Company

Do you have time to become a Trustee and help with the delivery of our work?

Could you volunteer for a specific project? - For example the Curling Pond Project has a volunteer group who help with maintenance in the area.

Can you help in any other way?

New Luce Community Trust Company Membership

New Luce Community Trust needs as many people as possible to have a say in the running of the Company. You can do this by becoming a Member .

It costs nothing to join!
