Kenmuir Arms Aquisition

The Trust are delighted to officially announce that the sale of the property has been concluded, and is now owned by the Trust.

Over the next few months we will be working with architects and other professionals to look at the best use of the space available, along with a significant refurbishment of the building.

The Trust will be advertising for suitable tenants to lease the business to, in the run up to the renovations being completed, to ensure we can get up and running as quickly as possible.

Feb/March 2019

In This Issue

- Kenmuir Arms Acquisition
- Taxi Card Scheme
- Green Spaces Project
- 4G Mobile Phone Signal Project
- Broadband

Diary Dates

The Development Officer will be in the Memorial Hall each month, please pop in and see what's happening within the Trust and their current projects.

Wed 13th March, 3-6pm

Wed 10th April, 3-6 pm

Wed 8th May, 3-6pm

Taxi Card Scheme

The pilot taxi card scheme will soon have been running for 1 year and as per terms and conditions of the funders, we have to evaluate how the project has gone, to hopefully get authorisation to continue the scheme.

Please complete the questionnaire if you have used the taxi card scheme, and return either to the office or to Sharon who will be in the village hall on Wednesday 13th March.

PLEASE COMPLETE AS WE DO NOT WANT TO LOSE THIS PROJECT!

4G Mobile Signal

Planning Permissions have been submitted to erect a mobile phone mast at Mains of Larg, by WHP Telecoms.

According to the schedule of works, (granted all permissions are given) the mast should be erected and 'Go Live' by September 2019

Broadband

Are you getting a good broadband service, or is it still poor?

We carried out a survey on this last year, with several areas being too far away from the cabinets to get a good speed. We were given advice from Digital Scotland that improvements were being made in certain areas. Comments on your service would help us going forward to identify requirements and how to address these.

Green Spaces

Progress in ongoing with this project and we hope to see work started at the woodland area as you come into the village from Glenluce very soon.

We are also working with the PLACE project to look at the possibility of reinstating the curling pond, and creating a nature trail, with a red squirrel observatory.

The gardening group have been doing wonders around the village and special thanks goes out to them for all their hard work to date.

New Luce Community Trust Company Membership

New Luce Community Trust needs as many people as possible to have a say in the running of the Company. You can do this by becoming a Member .

It costs nothing to join!
