

New Luce Community Trust

Community Transport Project Survey

As part of our community action plan we are looking at developing a community transport project.

To enable us to meet the needs of our community, we need to ascertain what the community requires a transport project to do.

Please use this questionnaire to let us know your views, as this will help us to shape the project and start taking it forward.

Please return completed questionnaires by Friday 23rd February 2018, to New Luce Community Trust, Machars Initiative Centre, 26 South Main Street, Wigtown, DG8 9EH

1. Do you currently use public transport?

a. Yes b. No

c. Sometimes d. Have own transport

2. What would you use a community transport project for?
